## PLAGUE DELAYS SCHOOL OPENING

### Board of Education Postpones Session Until October 2.

The Board of Education yesterday voted to postpone the opening of Wash-ington schools until October 2. This action was taken after Superin tendent Thurston, upon advice from Health Officer Woodward, had recom-mended that there be no delay. Mem-bers of the board, however, were of the opinion that students arriving from vacations might possibly bring the infan-

cations might possibly bring the infan-tile paralysis epidemic here. John B. Larner, prominent attorney, and aember of the board, made the ar-gument in favor of a later opening. He pointed out that it was unnecessary to open the schools before the middle of October, and said that in his opinion pupils should not be called to their studies before that time studies before that time.

With the dissenting vote of Superin-tendent Thurston, the board concurred with Mr. Larner. Discussion which fol-lowed resulted in the adoption of recommendations providing that all chil-dren be subjected to medical examina-tion and those who have been visitors to, or have recently arrived from, any of the affected States, be placed under observation before being admitted to matricula

# **WILL ASK MOOSE** TO HELP G. O. P.

Republicans Seek Services of Gov. Johnson in East.

By WILLIAM HONTER.
(International News Service.)
Albany, N. Y.. Sept. 6.—Concerted efforts for a country-wide rounding up of the Progressive vote are being planned by the Republican national campaign managers.

with Colonel Roosevelt already in the field, Governor Hiram Johnson, of California, the Colonel's running mate on the Bull Moose ticket in 1912, is to be asked to come East and assist in whipping his formers.

There are reasons for believing that the Hughes managers are not quite satisfied with the way the Progressive vote is trending. The action of the Michigan Progressives the other day in adopting resolutions of support of Wilson has started a flurry in Republican ranks. The trans-continental tour of Judge Hughes, which ended here at midnight tonight, moreover, has developed weaknesses in the Progressive line which must be strengthened at once.

The extraordinary efforts which the strike affects more than 4,000,000.

The extraordinary efforts which the Democrats are making to capture the Progressive rank and file, therefore, coupled with the situation as it has been developed by the Hughes trip, have practically convinced the Hughes managers that the Progressives will wield the balance of power at the polls in November. The extraordinary efforts which the in November.

Hughes spent the day quietly on his But Crowds Decry Act at Funeral of Hughes spent the day quietly on his car talking with Harvey D. Himman, who Joined the party at Buffalo, and problems for his address in the Maine campaign.
